

September 2, 2020

Dear Parents/Guardians,

I would like to take this opportunity to welcome you to the new school year and our RISE Preschool Program at Windsor Bergen Academy. I am looking forward to meeting and working with both you and your child this school year. We will be following The Creative Curriculum and PATHS social-emotional curriculum in order to provide hands-on activities and learning experiences that promote both academic and social-emotional learning to help your child grow and achieve their full potential in Prekindergarten. The curriculums and activities will also be individualized to meet the needs of each student. I am looking forward to a great year for both you and child with many wonderful experiences.

Please note that a folder will be sent home daily with any important information along with work your child may complete. Please return the folder on a daily basis. A communication book will also be placed in the folder so you may write to me with any concerns or questions and I can write to you. I will also send home a brief daily communication form that supplies a synopsis of your child's day at school. I have provided a sample for your viewing. Please sign this form every day and return to school with your child. Your input is critical to the educational success of your child.

Please contact me with any questions or concerns that you may have now or throughout the school year at the above number or at ssette@windsorschools.com.

Warmly,

Stephanie Sette
