

MEETING THE SPECIAL NEEDS OF CHILDREN

September 2020

Dear Parents/Guardians,

I hope you have enjoyed your summer. We have been working hard scheduling and preparing for the new school year. School starts for students on Wednesday, September 2nd. I have included the following forms that must be completed and returned to the school:

- [Permission/Acknowledgement Form](#)
- [Student Internet Photo Release Form](#)
- [Emergency Information Form](#)
- [Breakfast/Lunch Letter](#)
- [Medical Permission Form](#): If your child needs to be administered prescription medication and/or Tylenol by our school nurse or if they need to see the school physicians this form must be returned to the school.
- [Immunization Requirements](#)
- [Nut Allergy Form](#)
- [Computer and Internet Policy](#)
- [Home and School Committee Agreement](#)
- [Household Survey](#)
- [Electronic Device Survey](#)

I have also included the following pertinent school policies and information for your review:

- School Calendar
- Notice of Disclosure
- Behavior Management System
- Code of Student Conduct including cell phone policy
- Student Management
- Nursing Service Providers Statement
- Hazing, Harassment, Intimidation, and Bullying Policy
- Information related to School Safety and Security
- Bus Infractions Letter
- IPM Notice

If your child has had an athletic physical completed by his/her physician this summer, please send a copy to the school.

Unfortunately, due to the health crisis at this time, we will be unable to offer any athletic programs. We will inform you when we can safely resume these programs.

Please remember that your school district sets up your child's transportation. Any questions regarding the bus route should be directed to your child study team case manager or your district's transportation coordinator.

Sincerely,

Robert Scorzo
