

IMMUNIZATION REQUIREMENTS

New Students: Please attach a copy of your child's most recent immunization record.

UPDATED IMMUNIZATIONS

Returning Students: Please attach a copy of your child's immunization record if your child has had any updated immunizations since 2019.

Students entering 6th grade: The New Jersey Department of Health and Senior Services has mandated that all students entering Grade 6 must receive the Tdap vaccine prior to the start of the school year.

A copy of your child's most updated immunization record must be submitted prior to your child attending school.

If you have any questions or concerns, please feel free to contact our school nurse, Jan Maliniak.
